

# RADical DAYS

September 9 – October 10, 2021

## A RADical Comeback!

The Allegheny Regional Asset District (RAD) is happy to welcome you back for RADical Days 2021. Please read the safety information below and check [RADworkshere.org](http://RADworkshere.org) for updates.

## Important Safety Information

Due to the recent rise in Covid-19 cases, most organizations participating in RADical Days are requiring **advanced reservations and/or have capacity limits**. Other safety measures may include mask requirements, proof of vaccination, or a negative Covid test. Each organization has its own policies and procedures, and patrons are encouraged to educate themselves and make decisions to participate based on their own level of comfort. **As safety protocols continue to evolve, please check each organization's website to ensure compliance with their policies before attending their RADical Days events.** The safest way to experience RADical Days is to be vaccinated and/or mask up.

*The RADical Days schedule is subject to change; RADworkshere.org will have the most up-to-date information.*
